Integrative Medicine Center - MD Anderson Cancer Center

Traditional Chinese medicine (TCM) is a style of traditional medicine based on more than 2,500 years of Chinese medical practice that includes various forms of herbal medicine, acupuncture, massage (tui na), exercise (qigong), and dietary therapy, but recently also influenced by modern Western medicine. TCM is widely used in Sinosphere where it has a long history, and recently it has begun ...

Traditional Chinese medicine - Wikipedia

Some mind and body practices used in traditional Chinese medicine practices, such as acupuncture and tai chi, may help improve quality of life and certain pain conditions. Studies of Chinese herbal products used in traditional Chinese medicine for a range of medical conditions have had mixed results.
