review 1: Relatable on more than one level. The author's only 2 years older than I am so in addition to the psychological relatability there were also many mentions of specific movies/objects from his childhood that were also a part of mine — Talkboy, SNES, Nickelodeon Slime, the Disney renaissance, etc.

From the moment I began to read Atypical: Life with Asperger's in 20 1/3 Chapters, I was pulled in by the imagery of Jesse A. Saperstein. His descriptions of his thoughts as well as his actions seen through the Asperger's "atypical lense" brought me much insight into the life of a very colorful, vibrant, and talented young man.

In reply to Lauren Gilbert:.. Also, hiding things from you is a big problem. It probably is his way of avoiding confrontation. It's counterproductive, obviously, but hopefully with some work the two of you can communicate in a way that feels safer to him so that he's more comfortable telling you things.

The poignant, funny, and truly unique observations of a young writer diagnosed with Asperger's Syndrome. "Please be forewarned that you are about to read the observations and life lessons of someone who entertains himself by farting in public and conversing in gibberish with his cats." Thus begins the charming, insightful, and memorable story of Jesse Saperstein.
