### **Best Oral Sex Positions**

Oral sex, sure enough, greatly differs from other types of intimacies. While having sex in the 69 positions, making a blowjob or cunnilingus, it is impossible to get pregnant, thus such kinds of sex are considered to be safer. Many men do like getting a blowjob; nevertheless, they are not ready to give oral caresses to their female partners.

### **Best Sex Positions to Improve Your Sex Life - AskMen**

A sex position is a position of the body that people use for sexual intercourse or other sexual activities. Sexual acts are generally described by the positions the participants adopt in order to perform those acts. Though sexual intercourse generally involves penetration of the body of one person by another, sex positions commonly involve penetrative or non-penetrative sexual activities.
