Penis envy (German: Penisneid) is a stage theorized by Sigmund Freud regarding female psychosexual development, in which young girls experience anxiety upon realization that they do not have a penis. Freud considered this realization a defining moment in a series of transitions toward a mature female sexuality and gender identity. In Freudian theory, the penis envy stage begins the transition ...

Envy (from Latin invidia) is an emotion which "occurs when a person lacks another's superior quality, achievement, or possession and either desires it or wishes that the other lacked it".. Aristotle defined envy as pain at the sight of another's good fortune, stirred by "those who have what we ought to have." Bertrand Russell said that envy was one of the most potent causes of unhappiness.

Courtly Love. If you study the history of human sexuality and marriage through ancient and primitive cultures, you will find that communal sex and polygamy predominate. Communal sex tends to predominate in matriarchal societies—that is, societies in which power tends to pass through women, and property is more or less communal—where women mate with whomever they want, without any particular ...

My worst experiences in the professional world all share one thing in common: I reported to a female boss. Talk to most guys (and, frankly, normal women) and they will say the same thing—working for a female boss, or in an environment composed of mostly women, is a descent into an endless abyss of back-biting, passive-aggressiveness, lies, envy, intrigue, subterfuge, manipulation, and drama.

From: Carlos Xuma Monday, 10:14 a.m. Ever since I could remember, I've always been afraid of walking up and talking to women. I can't explain where the heck it came from, because I have never had a woman throw her drink in my face or slap me - but this crazy fear was always there, and because of it, I felt like I missed out on so many opportunities to meet some amazing women.
