Building Global Democracy
Building Global Democracy

Corruption. It is an overloaded word often used as the sole cause of the problems in poor countries. Yet, corruption seems to be everywhere, indeed often encouraged by rich countries and their corporations, especially when it comes to natural resources, and arms trade.

Democracy (Greek: δημοκρατία dēmokratía, literally "rule by people") is a system of government where the citizens exercise power by voting. In a direct democracy, the citizens as a whole form a governing body and vote directly on each issue. In a representative democracy the citizens elect representatives from among themselves. These representatives meet to form a governing body ...
