Allowing or facilitating the purchase of health insurance out-of-state has been discussed for more than a decade. At least 22 states have considered legislation; Rhode Island, Wyoming, Georgia, Kentucky and Maine enacted the first laws. President Trump's executive order for Association Health Plans has revived and expanded the discussion for 2018.

Economic conditions can be considered the economic characteristics that describe the state of an economy. Often, people comment that the economy is in terrible shape, that the economy is doing well, or that the economy is inherently sound.

ECONOMIC CONDITIONS - Reference For Business

This term originated in the insurance industry to express the problem that insurers face, namely, the person with home insurance may take less care to avoid fires or other damages to his home, thereby increasing the risk above what it would be in absence of insurance.
