Top 10 Qualities of Excellence - qualitycoaching.com
Executive coaching is a professional relationship between a trained coach and a client (who may be an individual or a group) with the goal to enhance the client’s leadership or management performance and development.

Executive Coaching Defined
Coaching in Early Childhood. Introduction. The use of coaching has been described by early childhood special educators, occupational therapists, physical therapists, and speech-language pathologists as a practice to support families of children with disabilities as well as practitioners in early childhood programs.

Coaching in Early Childhood
Coaching for Development. The Coaching for Development is a six-month programme in the study and application of Integral Coaching. It is an intensive coach training and apprenticeship programme designed for participants to emerge as coach practitioners, able to see the world through someone else’s eyes, and at the same time able to skilfully coach them to improved performance in any aspect ...

The stages From the Big Bang to Integral I found simple symbolic scenes to express each level so that when we look at them we can get an immediate 'feel' of each stage in their respective quadrants. For instance, amber upper left is someone bathed in the shining light of an almighty god; orange upper right is a marathon runner reaching for high performance; lower right green is a new city ...
