Healing Cancer Naturally is born from my interest in natural non-invasive healing modalities to help

maintain the body in health and perfection, with its inception dating more specifically from the time when my best friend's mother developed colon cancer.

Healing Cancer Naturally via Alternative Holistic Cancer ...

Healing Approaches. Plants: Because of Native Americans' intimate relationship with nature, many therapies emphasize plants, including 1) many herbal remedies; 2) tobacco, the herb of prayer used to communicate with the spiritual world and nature; and 3) smudge, a purification procedure in which a plant's aromatic smoke cleanses an area of negative energies, thoughts, feelings, and spirits.

Music therapy is the use of music to improve clients' quality of life. Music therapy is an evidence-based, clinical use of music interventions. The music therapist uses music and all of its facets - physical, emotional, mental, social, aesthetic, and spiritual - to help clients improve their health and quality of life.

Music therapy - Wikipedia

Creative therapy refers to a group of techniques that are expressive and creative in nature. The aim of creative therapies is to help clients find a form of expression beyond words or traditional therapy, such as cognitive or psychotherapy. Therefore, the scope of creative therapy is as limitless as the imagination in finding appropriate modes of expression.
