### **Healthy Horses Horse Care With**

It is better for your horse and your relationship with your horse to groom lightly daily as part of your daily horse care checklist, rather than saving up and doing a massive and intrusive grooming every few days or weekly. Daily grooming helps you stay on top of your horse's health.

### **Horse Care: Tips For Keeping A Horse Healthy And Happy**

Hoof care is an important part of the daily grooming routine. The hooves should be "picked" daily to remove manure, dirt, and stones, and checked for signs of bruising, odor, discoloration, or discharge. The shoes should also be checked for wear and tightness of the nails (see Routine Health Care of Horses : Shoes). Hoof dressings may be ...
