

## *Historical Fiction Short Story*

### **Historical Fiction Short Story**

Historical fiction is a literary genre in which the plot takes place in a setting located in the past. Although the term is commonly used as a synonym for the historical novel, it can also be applied to other types of narrative, including theatre, opera, cinema and television, as well as video games and graphic novels.. An essential element of historical fiction is that it is set in the past ...

### **Historical fiction - Wikipedia**

A short story is a piece of prose fiction that typically can be read in one sitting and focuses on a self-contained incident or series of linked incidents, with the intent of evoking a "single effect" or mood, however there are many exceptions to this.. A dictionary definition is "an invented prose narrative shorter than a novel usually dealing with a few characters and aiming at unity of ...
