How I Changed My Mind

It was as if my child had a broken leg, yet was expected to run a marathon and keep up with the other runners. An impossible feat. The second I threw out the possibility of homeschooling her, I felt a wave of peace wash over me. All of the sudden, we had an escape, a plan to head for safety and relief.

Phytic acid is a substance found primarily in whole grains, beans, and nuts that reduces the absorption of specific minerals from food. I previously wrote that minimizing phytic acid may be an important part of a healthy diet, but new evidence—and a reexamination of old evidence—has convinced me that it probably isn’t as important as I initially thought.

(23) And be renewed in the spirit of your mind.--The word translated "renewed" is not the same as the word "new" below. It is properly "to be made young again," and the process of recovery is described as the natural effect of putting off the decrepitude of the old man, and the decay engendered by fleshly lusts.
