

## *How To Successfully Date*

### **How To Successfully Date**

A lot of my single friends moan to me about how hard it is to date online. I can't help but notice, though, that I hear very different complaints from men than from women (at least the straight ones—my gay friends are another matter).

Question: It seems like I'm always running out of milk. Is it a good idea to stock up and freeze some of it? Answer: You can certainly freeze milk successfully if you plan to use it for cooking purposes. If you're hoping to drink it, you may or may not be satisfied with the end result — it's a matter of personal preference.. Frozen milk will often become separated and the texture may ...
