The Gesundheit Institute is a 501(c)3 non-profit healthcare organization whose mission is to reframe and reclaim the concept of 'hospital'. We are a model of holistic medical care based on the belief that the health of the individual cannot be separated from the health of the family, the community, the society and the world. From 1971 through 1983 we used our communal home as a hospital to ...

Why desire, design and composition? We notice that the problems we're trying to solve do not go away by using common sense solutions, tried-and-true rules of thumb, persistence, intuition. Such problems at first glance seem simple to understand, but on closer look they reveal their social complexity—appearing slippery, circular, unsolvable.

Quietism in philosophy is an approach to the subject that sees the role of philosophy as broadly therapeutic or remedial. Quietist philosophers believe that philosophy has no positive thesis to contribute, but rather that its value is in defusing confusions in the linguistic and conceptual frameworks of other subjects, including non-quietist philosophy.
