YHPA has been set up as a resource tool available to UK-registered or trainee medical professionals who work either in primary or secondary care.

YHPA - Yorkshire Health Practitioners Association

Dr Tatiana Lowe FACEM, Manly Hospital Definitely the best ultrasound course I have done. Minimum lectures, maximum scanning time on real patients. 95% of our tutors were experienced sonographers, and their ability to describe what (very small!!!) adjustments you had to make to obtain good images was second to none.

The Brown Dog affair was a political controversy about vivisection which raged in England from 1903 until 1910. It involved the infiltration of University of London medical lectures by Swedish feminists, pitched battles between medical students and the police, police protection for the statue of a dog, a libel trial at the Royal Courts of Justice, and the establishment of a Royal Commission to
