Live In The Moment

To live in the moment, or now, means being conscious, aware and in the present with all of your senses. It means not dwelling on the past, nor being anxious or worrying about the future. When we concentrate our attention on the present we focus on the task at hand.

What does it mean to live fully in the present moment? It means that your awareness is completely centered on the here and now. You are not worrying about the future or thinking about the past. When you live in the present, you are living where life is happening. The past and future are illusions, they don't exist. As the saying goes "tomorrow never comes".
