Masculinities Violence And Culture
In gender studies, hegemonic masculinity is part of R. W. Connell's gender order theory, which recognizes multiple masculinities that vary across time, culture and the individual. Hegemonic masculinity is defined as a practice that legitimizes men's dominant position in society and justifies the subordination of the common male population and women, and other marginalized ways of being a man.

At TEDWomen, Tony Porter makes a call to men everywhere: Don't "act like a man." Telling powerful stories from his own life, he shows how this mentality, drummed into so many men and boys, can lead men to disrespect, mistreat and abuse women and each other. His solution: Break free of the "man box."
