History Origin. The story of the Baker Hotel begins in 1922, when citizens of Mineral Wells, concerned that non-citizens were profiting off of the growing fame of the community's mineral water, raised \$150,000 in an effort to build a large hotel facility owned by local shareholders. They solicited the services of prominent Texas hotel magnate Theodore Brasher Baker, who gained fame by designing ...

History. Although vessels to bottle and transport water were part of the earliest human civilizations, bottling water began in the United Kingdom with the first water bottling at the Holy Well in 1621. The demand for bottled water was fueled in large part by the resurgence in spa-going and water therapy among Europeans and American colonists in the 17th and 18th centuries.
