Montefiore Intranet Access

Montefiore Medical Center, the University Hospital for Albert Einstein College of Medicine, is a premier academic medical center and nationally recognized leader in patient care, research and community service located in the Bronx, New York.

Montefiore Medical Center

Internet Access At Montefiore Medical Center, we understand the need to stay connected with family and friends during a stay at one of our facilities. The ability to communicate quickly and efficiently can help in a patient's recovery process and ease the fears of family members and loved ones unable to visit the hospital.

Montefiore's IT team turned to Citrix, whose solution has helped them deliver EPIC to 10,000 devices and counting. Now, their workers have secure remote access to a host of other apps, with IT managing them all from one place. And the hospital has saved millions of dollars in hardware, storage, and manpower. A staggering feat
