The Royal Navy (RN) is the United Kingdom's naval warfare force. Although warships were used by the English kings from the early medieval period, the first major maritime engagements were fought in the Hundred Years War against the Kingdom of France. The modern Royal Navy traces its origins to the early 16th century; the oldest of the UK's armed services, it is known as the Senior Service.

The meaning of "explorer" or "frigate" Starfleet ship types are occasionally referred to in Star Trek episodes. For instance, a screen display in "Star Trek III" (actually reproduced from the Star Fleet Technical Manual, see here) identifies the Enterprise as a "heavy cruiser". In TNG: "Arsenal of Freedom", the Wambundu class is supposed to be a "light cruiser".
