

## *Philosophy Matters An Introduction To Philosophy*

**Philosophy Matters An Introduction To**

Philosophy, for Trigg, is not some idle, merely academic undertaking; philosophy matters when we try to think seriously about values, our place in the cosmos and the power and limits of science. This is a superb volume."

Most Introduction to Philosophy books are Introduction to the History of philosophy books, which is not an introduction to what philosophy is. My idea of an Introduction is an introduction to the idea of philosophy itself, an exploration of truth and an assessment of man's relationship with others and the world he lives in.
