

## *Polarized The Rise Of Ideology In American Politics*

### **Polarized The Rise Of Ideology**

Definitions and measurements. Political polarization refers to the cases in which an individual's stance on a given issue, policy, or person is more likely to be strictly defined by their identification with a particular political party (e.g., Democrat or Republican) or ideology (e.g., liberal or conservative). According to DiMaggio et al. (1996), "Polarization is both a state and a process.
