The Muppets are a group of puppet characters created by Jim Henson, many for the purpose of appearing on the children's television program Sesame Street. Henson's involvement in Sesame Street began when he and Joan Ganz Cooney, one of the creators of the show, met in the summer of 1968, at one of the show's five three-day curriculum planning seminars in Boston.

Hey Greg - Thanks for update. Even though it's been almost four decades of distorted accounts associated with Joe's death, this well sourced and documented article serves to set the record straight and allow his family and the special operations community to view Joe's death, as well as Mike, Chuck and Bobby's, as part of a just and noble cause.

Some more bad news on the Phil Collins releases coming. To promote Other Sides, the track The Man With The Horn was released last week. Today, the track Homeless was released - but instead of the demo of Another Day In Paradise, which was first released as a b-side of I Wish It Would Rain Down in 1990, they have released a late studio version (!) of the track (with a running time of 5:35, it ...
