Statutory law or statute law is written law set down by a body of legislature or by a singular legislator (in the case of absolute monarchy). This is as opposed to oral or customary law; or regulatory law promulgated by the executive or common law of the judiciary. Statutes may originate with national, state legislatures or local municipalities

The Canadian Bill of Rights (French: Déclaration canadienne des droits) is a federal statute and bill of rights enacted by the Parliament of Canada on August 10, 1960. It provides Canadians with certain quasi-constitutional rights at Canadian federal law in relation to other federal statutes. It was the earliest expression of human rights law at the federal level in Canada, though an implied ...
