Not about Good vs. Evil. The book of Job is ancient Israelite wisdom literature, and its purpose isn't to teach us about how Satan and God make bets and leave innocent people's fates hanging in the balance. Rather, it begins with a typical day in the divine oval office, and the topic of God's just operation of the cosmos is put on the table.

The Book of Job's Big Question - WSJ

The author of the book of Job is unknown. Several suggestions have been put forth as plausible authors: Job himself, who could have best recalled his own words; Elihu, the fourth friend who spoke toward the end of the story; various biblical writers and leaders; or many editors who compiled the material over the years.

Book of Job Overview - Insight for Living Ministries

The lesson from the big book of Job is 1) that God is sovereign over all our suffering; 2) he permits Satan to come into our lives and do horrible things to us; 3) he means to prove our faith and purify our lives through it; 4) in the end he will make it good, either in this life or in the life to come; and 5) Satan does not have the last word in ...

The book implied the earth is round long before the advent of modern science (Job 22:14). The book mentions dinosaurs—not by that name, but the description of the behemoth is certainly dinosaur-like—living side by side with man (Job 40:15-24). The book of Job gives us a glimpse behind the veil that separates earthly life from the heavenly.
