The Alchemist of Lost Souls is the fourth book in a series of historical mysteries set in Tudor England and featuring the character of Bianca Goddard, an alchemist's daughter. Not having read any of the previous novels, I wondered whether I would be at a disadvantage in starting with this one, but that wasn't really a problem.

London is the capital and largest city of both England and the United Kingdom. Standing on the River Thames in the south-east of England, at the head of its 50-mile (80 km) estuary leading to the North Sea, London has been a major settlement for two millennia. Londinium was founded by the Romans. The City of London, London's ancient core – an area of just 1.12 square miles (2.9 km²) and ...
