Myths vs. Facts. Successful implementation of the Common Core State Standards requires parents, educators, policymakers, and other stakeholders to have the facts about what the standards are and what they are not.

Myths vs. Facts | Common Core State Standards Initiative
“Gifted students will do fine on their own.” “Gifted programs are elitist.” These and other myths prevent our country from appropriately educating millions of advanced students. NAGC compiled a list of the most prevalent myths in gifted education with evidence rebutting each of them. This list was developed from a longer list of myths explored in a special of Gifted Child Quarterly ...

Aryan: Aryan, name originally given to a people who were said to speak an archaic Indo-European language and who were thought to have settled in prehistoric times in ancient Iran and the northern Indian subcontinent. Since the late 20th century, a growing number of scholars have rejected the concept of an Aryan race.
