So great was the problem posed by the state-sponsored piracy that the Barbary nations are mentioned explicitly in the Treaty of Amity and Commerce, a 1778 pact between France and the United States [source: Yale]. The treaty calls on France to use its diplomatic powers to protect captured sailors and persuade the leaders of the Barbary nations to refrain from capturing American ships.

The relationship between the Wehrmacht, the regular combined armed forces of Nazi Germany, and the regime it served has been the subject of a voluminous historiographical debate. Broadly speaking, there have been two camps. The myth of the Clean Wehrmacht claims that the Wehrmacht had minimal participation in war crimes and genocide. More recently, scholarship has emerged demonstrating that the ...
