Preface. A thought conceived but not expressed is at best only an unborn child, not only without any influence on the world, but of whose very existence the world may be unconscious; but once brought forth it becomes part of the living working universe, to work there its appointed season, and possibly to leave its mark for good or evil on all successive time.

O gracious and merciful God, look with compassion on the frailty of our mortal nature, and sustain our endeavors by Thy grace, that, through Thy boundless mercy, we may obtain the pardon of all our sins, persevere constantly in Thy service, and in the end attain unto everlasting life. Through Jesus Christ Our Lord, Who with Thee and the Holy Ghost livest and reignest, one God, for ever and

ever.

A supermarket is a self-service shop offering a wide variety of food, beverages and household products, organized into sections and shelves. It is larger and has a wider selection than earlier grocery stores, but is smaller and more limited in the range of merchandise than a hypermarket or big-box market.. The supermarket typically has aisles for meat, fresh produce, dairy, and baked goods.
