Understanding Collaborative Action Research. Margaret Riel . The Center's approach to collaborative action research (informed by McNiff, 2013; Fine, 2018: McNiff & Whitehead, 2010; Wood, 2017) is to define it as a process of deep inquiry into one's professional interactions with others in service of moving towards an envisioned future, more closely aligned with social justice values. This ...

The motto of TheBestSchools.org is Finding the best school for you. Here is how we do it: The value of any ranking list of schools and/or degree programs depends on having a methodologically sound assessment of each school’s/program’s characteristics, especially insofar as these can be objectively measured.
