Towards Collective Liberation Anti Racist Organizing Feminist Praxis And Movement Building Strategy
Towards Collective Liberation Anti Racist
Racism is the belief in the superiority of one race over another, which often results in discrimination and prejudice towards people based on their race or ethnicity. The use of the term "racism" does not easily fall under a single definition. The ideology underlying racism often includes the idea that humans can be subdivided into distinct groups that are different due to their social behavior ...

Racism - Wikipedia
Institutional racism (also known as systemic racism) is a form of racism expressed in the practice of social and political institutions. It is reflected in disparities regarding wealth, income, criminal justice, employment, housing, health care, political power and education, among other factors. The term "institutional racism" was coined and first used in 1967 by Stokely Carmichael (later ...
