Gender & Sports. When I grew up in the 1950s and 1960s, sports was defined by and for boys and men. The few girls and women who played sports were either ignored or stigmatized.

Gender & Sports | Michael Messner

The Women's and Gender Studies (WST) minor integrates social science, science and humanistic approaches by using women's experience and feminist theory to analyze themes in the humanities, fine arts, social sciences, and natural sciences. The Women's Studies minor further emphasizes the interdisciplinary study of women and gender, and an inclusive study of women that acknowledges ...

Binary Divisions Within Sports. There are many perspectives through which sport can be viewed. Therefore, very often some binary divisions are stressed, and many sports sociologists have shown that those divisions can create constructs within the ideologies of gender and affect the relationships between genders, as well as advocate or challenge social and racial class structures.

Sociology of sport - Wikipedia

Sociology of gender is a prominent subfield of sociology. Social interaction directly correlated with sociology regarding social structure. One of the most important social structures is status. This is determined based on position that an individual possesses which effects how they will be treated by society.
