

Travelling Around Australia In A Caravan

Travelling Around Australia In A

The East Coast of Australia is up there with the most popular backpacking trails in the world. The Great Barrier Reef, the Whitsunday Islands, Fraser Island, the Great Ocean Road, Sydney's Opera House... the entire coastline has many 'must sees' that continue to attract travellers from across the globe.

A Complete Guide: Travelling the East Coast of Australia

I've been getting a lot of email from readers lately asking about travelling the East Coast of Australia, an area of the world I'm pretty clued up on having spent heaps of time there over the last few years. I've already chatted about how long you should take to travel the East Coast and how...

The concept of the travelling gnome dates back to the 1970s when Henry Sunderland photographed

his own garden gnomes, which he named Harry and Charlie, while he was travelling around Antarctica.. The earliest record of a prank involving a traveling gnome is from Australia in 1986 when the Sydney Morning Herald reported an "Eastern Suburbs gnome-owner was distressed when she discovered her ...

Cycling Tasmania. Tasmania is gaining a reputation as one of the best places to ride your bicycle in Australia, if not the world. The island-state boasts a diverse landscape, a temperate climate, oodles of quiet back-country roads and plenty of welcoming locals. In just a few days you can ride from golden farming valleys to high mountains and then down to the seaside.
