Learning Theory describe how students absorb, process, and retain knowledge during learning. Cognitive, emotional, and environmental influences, as well as prior experience, all play a part in how understanding, or a world view, is acquired or changed and knowledge and skills retained.

Learning theory (education) - Wikipedia
You are definitely right... if a teacher is running a quality preschool, they should already be doing all this stuff anyway. We have been emphasizing the science portion at least these past few years through what we called “Wonder Works” training, talking about science throughout the day and also by using the CLASS assessment to increase awareness of the importance of open-ended questions ...

What does STEM look like in preschool and what is STEM ...
A virtual learning environment (VLE) is a system that creates an environment designed to facilitate teachers' management of educational courses for their students, especially a system using computer hardware and software, which involves distance learning. In North America, a virtual learning environment is often referred to as a "learning management system" (LMS).

Constructivist Learning Theory | Exploratorium
Distance learning, also called distance education, e-learning, and online learning, form of education in which the main elements include physical separation of teachers and students during instruction and the use of various technologies to facilitate student-teacher and student-student communication. Distance learning traditionally has focused on nontraditional students, such as full-time ...

Our school is a place where our students grow into young adults, and we support and challenge them at every stage to take responsibility for themselves, to value others, and to be the very best that they can be.

The Archer Academy
On March 31, students from Robert M. Finley Middle School participated in National History Day hosted by Hofstra University. Students from Ms. Vanessa Mahnken’s Humanities/Research Program participated, creating projects based on this year’s theme, “Triumph and Tragedy in History.”
