Medieval Weapons

The American Civil War, fought between the Union and Confederate forces, took place from 1861 to 1865. During the war, a variety of weapons were used on both sides. These weapons include edged weapons such as knives and swords, firearms such as, rifled-muskets, breech loaders and repeating weapons, various field guns such as artillery, and new weapons such as the early grenade and machine gun.

A weapon, arm or armament is any device that can be used with intent to inflict damage or harm. Weapons are used to increase the efficacy and efficiency of activities such as hunting, crime, law enforcement, self-defense, and warfare. In broader context, weapons may be construed to include anything used to gain a tactical, strategic, material or mental advantage over an adversary or enemy target.

Carry Nation. Brown Brothers The weapon of choice for these historical women wasn't beauty, grace, or charm. Instead, they choose to wield cold, hard steel. As in an axe. Or hatchet. Or tomahawk. Thanks in part to such unladylike weapons, these women captured the public's imagination, inspiring films, books, plays, poems, ballets, bobbleheads, and, in this case, a list.
