Dear Jane, I do not have any money so am sending you this drawing I did of a spider instead. I read
recently of a 'qualified' chiropractor that has been using distance healing for quite some time, claiming he can heal you from his living room.

**Next time, I'll spend the money on drugs instead.**

Why You Definitely Need a Firewall. The primary function of a firewall is to block unrequested incoming connections. Firewalls can block different types of connections intelligently — for example, they can allow access to network file shares and other services when your laptop is connected to your home network, but not when it's connected to a public Wi-Fi network in a coffee shop.

**Why You Don't Need to Install a Third-Party Firewall (And ...**
