"What's Love Got to Do with It" is a song recorded by the American singer Tina Turner, released in 1984. It was taken from her fifth solo album, Private Dancer and became Turner's most successful single. Although Turner had already scored a UK Top 10 and US Top 30 hit some months earlier with her rendition of "Let's Stay Together", "What's Love Got to Do with It" gave Turner her first and only ...

I'm quite unsure regarding the usage of single quotation marks (') and double quotation marks (") in English. I had thought that double quotation marks were usually used to quote sentences from passages/given sources, nouns/things ("Westminster Bridge", "alliteration", or "voice" regarding its usage in poetry), as well as some less common/important uses including being snarky and using them to ...
