Work After Globalization Building Occupational Citizenship
Work After Globalization Building Occupational

Occupational safety and health (OSH), also commonly referred to as occupational health and safety (OHS), occupational health, or workplace health and safety (WHS), is a multidisciplinary field concerned with the safety, health, and welfare of people at work. These terms also refer to the goals of this field, so their use in the sense of this article was originally an abbreviation of...

Occupational safety and health - Wikipedia

Employment is a relationship between two parties, usually based on a contract where work is paid for, where one party, which may be a corporation, for profit, not-for-profit organization, co-operative or other entity is the employer and the other is the employee. Employees work in return for payment, which may be in the form of an hourly wage, by piecework or an annual salary, depending on the...

Home Depot Discriminates Against Turban-Wearing Employee Two years ago, I mentioned a complaint that had been filed by an employee of a security guard company alleging that Home Depot had discriminated against him by insisting he wear a hardhat, which would have required him to remove his turban. That case was decided recently, in part.
